

Registration Committee Minutes

February 10, 2025 at 3:00pm, Buzz Ware Village Center

On Monday, February 10, the registration committee had a meeting that began at 3 PM and ended at 4 PM. Linda Toman was the only attendee, since other members of the committee were both out of town. The agenda included doing an inventory for welcome packet fillings. After the meeting, I made the appropriate copies, found more Arden Club calendars, etc. Jennifer Abernethy provided more ACRA directories. Linda purchased more folders from Staples, and set about filling six welcome packs. These will be given out this next week since no one was available this past weekend.
