

Safety Committee Minutes – January 19, 2026

1. Discussed off leash dog incidents and letters that have been mailed. Informed the committee that we will discuss how to implement the new fine process at the next coordinating committee meeting.
2. Discussed on-street parking. Informed the committee that Lorna Lee would help draft a new parking ordinance to address on-street parking issues.
3. There is still overhanging debris from a fallen tree on the path from W Greenbriar to Harvey Rd. Public works has been notified and responded that they would take a look and contact the leaseholder.
4. Discussed the condition of the bridges on the walking paths. Will update the safety committee on the upcoming repairs after the next coordinating committee meeting
5. Schedule next meeting for April 13
